QAP-001, Supplier Quality Requirements apply, see www.whelen.com Supplier Quality Requirements.

Please forward appropriate M.S.D.S.'s to the Safety Officer at the above Ship-To address.

Acceptance of order acknowledges terms and conditions. Goods subject to our inspection upon arrival, notwithstanding prior payment to obtain cash discount.

Rejected goods will be returned with charges for transportation both ways plus handling and are not to be replaced without written instructions from Whelen.

The supplier shall make no changes to part designs or specifications without prior approval by Whelen. Ordered quantities are not to be exceeded. Whelen

will accept overages only with verbal approval prior to shipment. Changes in scheduling and quantities to be done verbally followed by written confirmation.

Scheduled shipments are not to be made prior to the first of the month of that scheduled due date.
